

Greetings BRASS Friends and Symphony Supporters,

The annual **BRASS Memorial Day Community Concert** is rapidly approaching on the evening of Friday, May 28, 2010. Once again the TPC has graciously offered their beautiful grounds as the perfect venue for this patriotic evening. This outdoor concert is an opportunity to hear the fabulous sounds of our Jacksonville Symphony Orchestra in a relaxed and lovely setting with the whole family.

A significant portion of the costs of producing this magnificent concert are underwritten by your generous donations. The contributions of BRASS members and friends make it possible to bring this free event to our beaches community and further our mission for music education and enrichment.

Please use the attached form to join our “orchestrated” fund raising effort. Your generosity will be recognized in our Community Concert program. So pull out your red, white and blue and join us in kicking off the Memorial Day weekend!

Detach and mail the completed form to: BRASS P.O. Box 2222 Ponte Vedra Beach, FL 32004

Yes, I will join the Beaches Orchestra of Community Concert Supporters
